STAINLESS STEEL TRASH CHUTE DOOR

Trash chute intake doors are Fire Rated – UL Certified, complying with national building codes, bearing an Underwriter Laboratory 1 ½ Hr. “B” label.

Stainless Steel, No. 4 Finish

Hand operated, silent and self-closing by means of an automatic door closer/hydraulic piston.

Positive self-latching with chrome t-handle with lock.

Rubber Baffle to prevent updraft

Attached embossed trim

Suitable for in-wall, Trash Chute and Linen Chute Applications.

Surfaces of door and frame to be unmarred by lapped joints, bolted frames, screws or rivets.

Trim to be of 16 gauge and frame to be of 18 gauge type 302 stainless steel and polished integrally with the door.
